Pre-Event Checklist

1. Secure venue for event.

2. Determine occupancy load. Contact the University Fire Marshall (UFM) to discuss if an occupancy load needs to be determined. *This should be done as far in advance as possible to avoid over-inviting/selling of tickets.*

3. Secure crowd managers/First Aid Responders. The UFM will assist with establishing the number of crowd managers and/or First Aid Responders that will be required to safeguard attendees. In the case of smaller events, this may not be required. However, this should be confirmed ahead of time with the UFM.

4. Contact OSU Police Department and/or Facilities Management to determine if their support is required.
Pre-Event Checklist continued

5. Prepare a sketch, to scale, of the proposed setup: chairs, tables, stage, podium, PA system, exits, etc. Seating arrangements and setup shall be approved by the UFM.

6. Submit Event Permit Application along with the sketch to fls@okstate.edu or campus mail to John Bond, 002 University Health Services.
